STAT NOTE [redacted] DISPLAYED FROM FOLDER "INBOX" 1 OF 1
STAT 6/08/88 [redacted] SUBJECT: ORIS (DDO)
UNCLASSIFIED

DATE: June 8, 1988

STAT NOTE TO: [redacted]

SUBJECT: ORIS

Pat,

STAT It seems as though we are batting '0' this week. I had asked [redacted]
STAT [redacted] to send you an AIM note by 11, but [redacted] had car problems this morning and will be spending most of the day at a garage.

STAT [redacted] who is doing the feasibility study on ORIS, is out of town at an EEO course all week; he will be back on Monday. When I
STAT talked with [redacted] yesterday, she indicated that Richard was indeed looking into the equipment and particularly data storage requirements.

I apologize for not having a firm update for you to pass along, but I will have Richard send you something on Monday. I'll also talk with
STAT [redacted] about his sending you weekly updates on his progress.

STAT [redacted]
